

## Whole School Magical Task - Term 2

As we enter into the most magical time of the school calendar, we feel the hall is in need of some sparkle!

We would like to ask you all to create a hanging Christmas decoration with your child. These will need to be larger than a tree decoration as they will be

strung from the wires on the hall ceiling! We suggest using a hoop, a tree branch or a wire coat hanger as a base to hang your Christmas creations from! Don't forget to name them if you would like them back!

We will make sure they are up in the hall before the children's Christmas productions, so that you can see them on the lead up to the festive season.

We know that you are a wonderfully creative bunch, so we look forward to seeing them all! Please bring your decorations into school as soon as they are finished and no later than

**Monday 4<sup>th</sup> December.**

Have fun creating them!
