

School Uniform

We are proud of our uniform and the sense of belonging that it instils. Our uniform is simple, comfortable and flexible and has been designed for all the practicalities of a busy school day! We expect all children to wear uniform daily and all families to support the school by purchasing the correct uniform items.

It is essential that ALL uniform is named and regularly re-named to ensure nothing is lost.

Second Hand:

Please make use of our second hand uniform sales in order to recycle and prevent expensive items being ruined. These popular sales are held regularly and advertised via the school weekly newsletters.

Community Wardrobe also run free uniform recycling services, where you can access good quality second hand uniform for all of the local schools.

Please see the Parents tab on the school website for further information and Newsletters for information about Second Hand Uniform sales running at school and other community initiatives supporting second hand uniform.

Book bags, PE and swimming bags

Your child will be provided with a school book bag before starting school in September.

Please do use these as other larger rucksacks are very difficult to store in school. Please could your child be encouraged to add names, ribbons or key rings to help them identify their own bag amongst thirty that look the same! Please could your child bring a P.E. kit in a separate P.E. named bag. Please can this have a draw string so that it can hang easily on your child's peg.

In KS1 your child will begin swimming lessons at Whitstable pool as part of the P.E. curriculum. Please could your child then bring a separate waterproof swimming bag; a carrier bag is fine.
