Barnums school uniform ordering

Barnums have several buying options available to parents to help spread the cost of purchasing school uniform for your child. Each child who joins St Alphege in Reception in September, will be given a book bag from the school, free of charge.

All logo items can be purchased through Barnums Schoolwear shop in Herne Bay and non-logo items can be purchased from supermarkets or other retailers as well as from Barnums.

If you are purchasing items from Barnums you have the following options available to you.

1. **"Put-by" service** – you can visit the shop and select the uniform you need. It is put in a bag and a deposit paid to the value of one of the items. The bag is then kept at the shop and you can pay off the bag, item by item, as and when you wish. When all of the items in the bag have been paid for, Barnums staff will contact you by phone to arrange for the bag to be collected from the shop. All payments can be made over the phone to avoid multiple trips to the shop.
2. **Website** – Shop online and pay for the whole order at the checkout stage. You have the option to collect your order from the shop which will be arranged via a phone call. Alternatively, for a small fee, the items can be delivered to your home address within a week of purchase. Again, a phone call will confirm delivery to you.
3. **Order form** – Using the order form in your pack you can email or post your completed order directly to Barnums (please do not send it back to school). Barnums will telephone you to take payment and arrange a suitable time to collect the order from the shop, or delivery time to your home address. (Fee charged for home delivery)
4. **Measuring / trying items on** – if you need to have your child measured to be able to purchase the correct sizes of clothing, you can make an appointment to visit the shop by calling Barnums. Only one adult will be able to accompany the child/children requiring uniform and this will be limited to 2 families in the shop at any one time.
