Parent Information Session

Next week, you will receive your welcome pack in the post. This contains all the information you will need. There are several forms in the pack that need to be completed. Please send these back to us in the stamped addressed envelope provided.

Normally at this time of year, we would be inviting you into the school hall to officially welcome you into the St Alphege family. Due to current circumstances we are unable to do this, so we have found a creative way to reach out to you all virtually.

Please click on the following link to watch our parent information session:

We hope you find this useful and informative. If you have any questions that have not been covered or would like to give us any feedback, please do not hesitate to contact us at any point.

We look forward to welcoming you and your child properly in September.

Kind regards,

Jacqui Spinks and Liz Thomas-Friend
