Welcome to the St Alphege family!

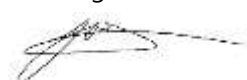

Thank you for accepting your place at St Alphege for September 2025. We cannot wait to meet you all and welcome you to our fabulous school.

We share your excitement and anticipation of this milestone in your child's life and appreciate what a significant moment this is for you as a family. We have thought very carefully about the transition events which we hope will enable you to feel a part of the St Alphege family before your child properly joins us in September.

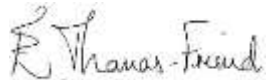

Thursday 22nd May 6.00pm – 7.30pm	Important parent event Parents are invited to join us in the school hall to meet the team and find out a little more about us. There will be an opportunity to explore the classrooms, meet the staff team and make some new connections with other parents joining the school. Due to this being an evening meeting we do not expect children to attend and we ask that you please arrange for child care during this time. This is your opportunity to gain all the information you need and to ask any questions you have prior to your child starting with us. 
Tuesday 10th June 1:15pm – 2:45pm	Teddy Bears Picnic We welcome our children to come with a grown up to join our Teddy Bears Picnic. Please bring with you a favourite soft toy to join in the fun. This will be a great opportunity for your child to meet their new friends and spend some time in their classroom environment. There will be a range of play-based activities, both inside and outside, that they can join in with.
Wednesday 18th June 10.00 – 11.00am	New class visit for children We welcome our children to spend some time on their own with their new teachers in their classroom environment. During this time, we invite parents to join us for refreshments in the hall where you will have the opportunity to spend some time getting to know other families and speaking to senior leaders. 
Thursday 3rd July 9:30am – 11:30am	Whitstable Transition morning. A morning play session for children in their classrooms, when they will have the opportunity to experience what school will be like for them in September.

If you have any questions, please do not hesitate to contact us. We very much look forward to meeting with you and wish you and your family all the best over the coming months.

Kind regards,
