

| 1 | Measure Statistics | | | | Properties of Shape | | Position & Direction | | |
|-------------|---|-----|---|-----|---|-----|---|-----|---|
| 6.3 Mastery | | | | | | | | | |
| 6.2 | <ul style="list-style-type: none"> I can solve practical problems for capacity and volume I am beginning to use the language litres, m l, kg, g cm and m to discuss measure I can compare standardized units of measure including cm, mm, m, lt and ml | 6.2 | <ul style="list-style-type: none"> I can recognize different denominations of coins I can find different ways to make totals up to £1.00 | 6.2 | <ul style="list-style-type: none"> I know the months of the year I am starting to recognize $\frac{1}{2}$ past and beginning to understand $\frac{1}{2}$ to I am beginning to compare length of time | 6.2 | <ul style="list-style-type: none"> I can recognize and name 2D and 3D shapes I am beginning to talk about the properties of 2D & 3D shapes inc: sphere, cube, cuboid, pyramid, cone, square based pyramid | 6.2 | <ul style="list-style-type: none"> I know my left from my right I am familiar with the terms forwards, backwards, sideways, distance and in-between |
| 6.1 | <ul style="list-style-type: none"> I can read standard units of measure E.g. 300ml, 10cm, 25g etc. | 6.1 | | 6.1 | <ul style="list-style-type: none"> I understand how many minutes there are in an hour | 6.1 | <ul style="list-style-type: none"> I can use the correct vocab to describe 2D and 3D shapes, including: corners, sides, vertex, vertices, edges, faces, flat and curved | 6.1 | |
| 5.2 | | 5.2 | | 5.2 | | 5.2 | | 5.2 | |
| | <ul style="list-style-type: none"> I can compare non-standard units of measure | | <ul style="list-style-type: none"> I can make 10p using different coins including 1p, 2p, 5p and 10p I am starting to add together two coins I can recognise the worth and value of: 1p, 2p, 5p, 10p and 20p | | <ul style="list-style-type: none"> I know the days of the week I can tell the time to the hour and draw the hands on the clock face to show these times I can recognize and use the language first, next, today, yesterday and tomorrow I am beginning to know the months of the year I can measure time using o'clock and half past | | | | <ul style="list-style-type: none"> I understand and can demonstrate under, behind, next to, on top of, over and besides |
| 5.1 | | 5.1 | | 5.1 | | 5.1 | | 5.1 | |
| 4.2 | | 4.2 | | 4.2 | | 4.2 | | 4.2 | |
| | <ul style="list-style-type: none"> I am beginning to compare and describe time I can use the language: full, empty, more than, less than and quarter to discuss capacity and volume | | | | <ul style="list-style-type: none"> I am beginning to recognize the days of the week I am beginning to tell the time to the hour | | <ul style="list-style-type: none"> I am beginning to recognize 2D shapes I am beginning to recognize 3D shapes I can sort 2D/3D shapes | | |
| 4.1 | <ul style="list-style-type: none"> I can use key vocabulary to talk about the passing of time: quick, slow | 4.1 | | 4.1 | <ul style="list-style-type: none"> I am beginning to recognize the language first, next, today, yesterday and tomorrow I am beginning to measure mass/weight I am beginning to measure o'clock | 4.1 | | 4.1 | |

| 1 | Number | Addition & Subtraction | Multiplication & Division | Fraction and Decimals | | | |
|--------------------|--|------------------------|--|-----------------------|---|-----|--|
| 6.3 Mastery | | | | | | | |
| 6.2 | <ul style="list-style-type: none"> I can count across 20 to 100 forwards and backwards beginning from 0 or 1, or from any given number I can count, read and write numbers to 100 I can count in multiples of 2's, 5's and 10's I know one more/less for numbers to at least 50 | 6.2 | <ul style="list-style-type: none"> I can use the vocabulary related to addition and subtraction I can recall addition and subtraction facts to 20 I can add and subtract 1-digit and 2-digit numbers to 20, including zero I can work out the value of a missing number e.g. $30 - ? = 24$, $15 + ? = 24$ | 6.2 | <ul style="list-style-type: none"> I can solve one-step problems involving multiplication and division, by calculating the answer using arrays with the support of the teacher I am able to recognize \div is represented by repeated subtraction | 6.2 | <ul style="list-style-type: none"> I can recognize, find and name half as one of two equal parts of a quantity I can recognize, find and name quarter as one of four equal parts of a quantity |
| 6.1 | <ul style="list-style-type: none"> I am beginning to identify and represent numbers using pictorial representations including the number and dienes I am beginning to order consecutive numbers to 50 I know the value of a digit within a 3 digit number E.g. 36 - the 3 is worth 30 | 6.1 | | 6.1 | | | |
| 5.2 | | 5.2 | | 5.2 | | 5.2 | |
| | <ul style="list-style-type: none"> I can count across 10 to 50 forwards beginning from 0 or 1 or from any given number I can count, read and write numbers to 50 I can count in multiples of 2's and 10's I can read and write numbers from 1 to 20 in numerals and words | | <ul style="list-style-type: none"> I know that addition in the total of 2 sets and that subtraction is taking away and finding out how many are left I can work out a missing number using manipulatives I can use addition facts to 10 to determine related subtraction facts I can subtract two 1-digit numbers I am beginning to work out the value of a missing number I can recall number bonds to 10 | | <ul style="list-style-type: none"> I can solve one-step problems involving multiplication and division, by calculating the answer using concrete objects I know multiplication is represented by repeated addition I am beginning to recognize \div is represented by repeated subtraction I understand that multiplication and division can be represented in an array of objects | | <ul style="list-style-type: none"> I can recognize, find and name a half as one of two equal parts of a shape I can recognize, find and name a quarter as one of four equal parts of a shape I can recognize, find and name a half as one of two equal parts of an object I can recognize, find and name a quarter as one of four equal parts of an object |
| 5.1 | <ul style="list-style-type: none"> I am beginning to count backwards from any given number I can recognize and represent the value of a digit within a 2 digit number using manipulatives | 5.1 | | 5.1 | | 5.1 | |
| 4.2 | | 4.2 | | 4.2 | | 4.2 | |
| | <ul style="list-style-type: none"> I can count to 20 forwards and backwards, beginning from 0 or 1 I can count, read and write numbers to 20 | | <ul style="list-style-type: none"> I am beginning to know that addition is the combining of two groups of objects and subtraction is taking them away I can record my work using $+$, $-$ and $=$ I am beginning to add 2 1-digit numbers together I am beginning to subtract 2 1-digit numbers I can represent number bonds to 10 using manipulatives | | | | |
| 4.1 | <ul style="list-style-type: none"> I can use one more or one less than a given number up to 50 I am beginning to identify and represent numbers using objects and use the language more/less I am beginning to read and write numbers 1 to 20 in numerals and words I can recognize the value of a digit within a number | 4.1 | | 4.1 | | 4.1 | |
