Our daily breakfast club is run by experienced members of school staff, who offer a quiet and safe start to the day with healthy breakfast options. We open at 8.00am and children can choose from a range of food options including toast, pastries, cereal, fruit and yoghurts. We can cater for any dietary requirements and our staff are qualified in food safety. Food is served until 8.25am.

The children are really well supported; they enjoy a range of fun activities in the hall and are taken to their classrooms at 8.45am, the beginning of the school day. We can also accept children who attend Whitstable Junior School and we will ensure they are taken to WJS in time for the start of their school day.

We offer a flexible approach to our sessions and you will receive an invoice weekly in arrears, for the number of days your child attended. This will be due for immediate payment. You will also receive printed receipts for all payments made once they have been processed through the school accounting system. Each session will cost £3.00.

We can also offer a few places each day for children to start at 7.45am by prior arrangement through the school office. This session will cost £4.00.

If you require regular Breakfast Club sessions, please book these using the table overleaf. We are still able to accommodate extra sessions on an ad-hoc basis if you find that you need last minute childcare.
